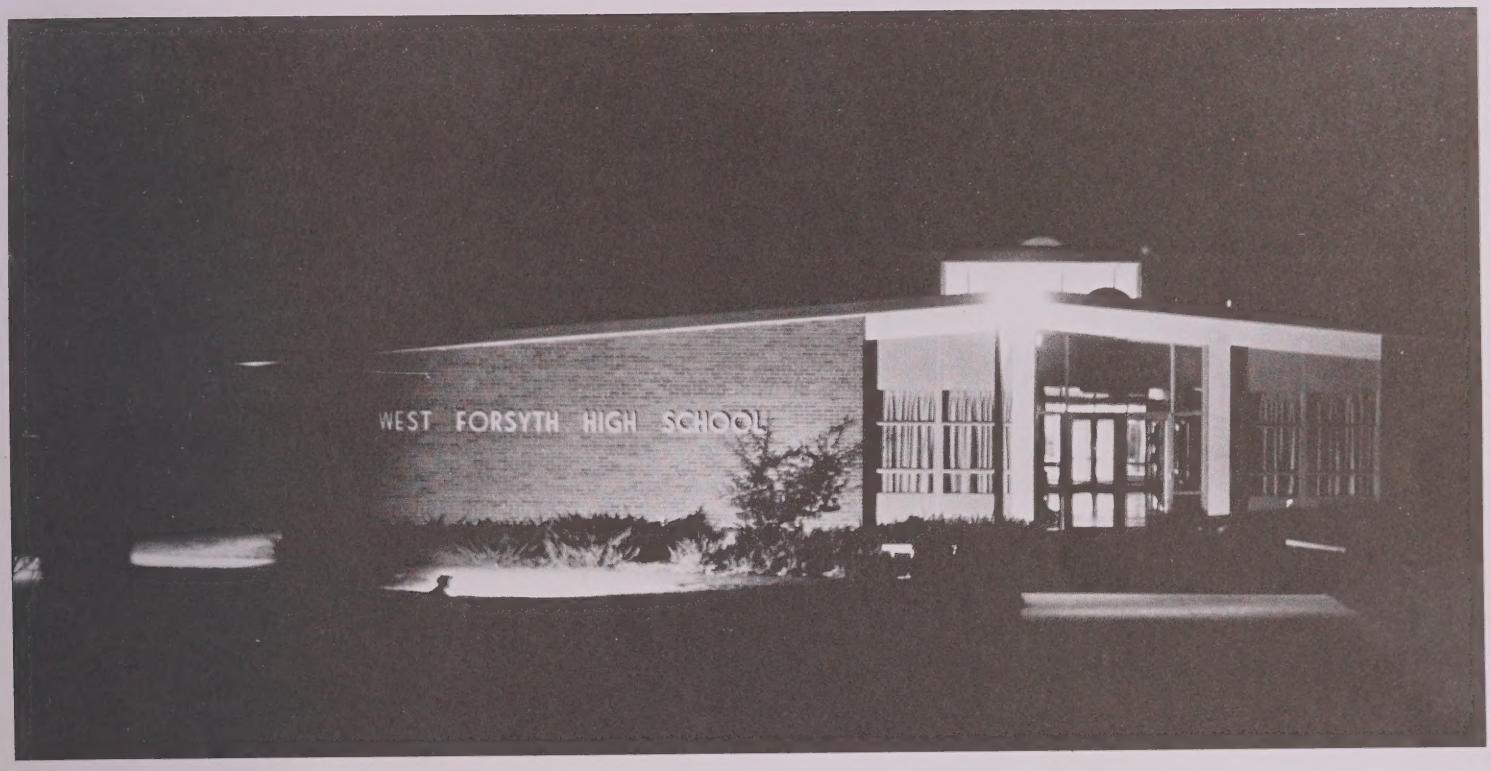
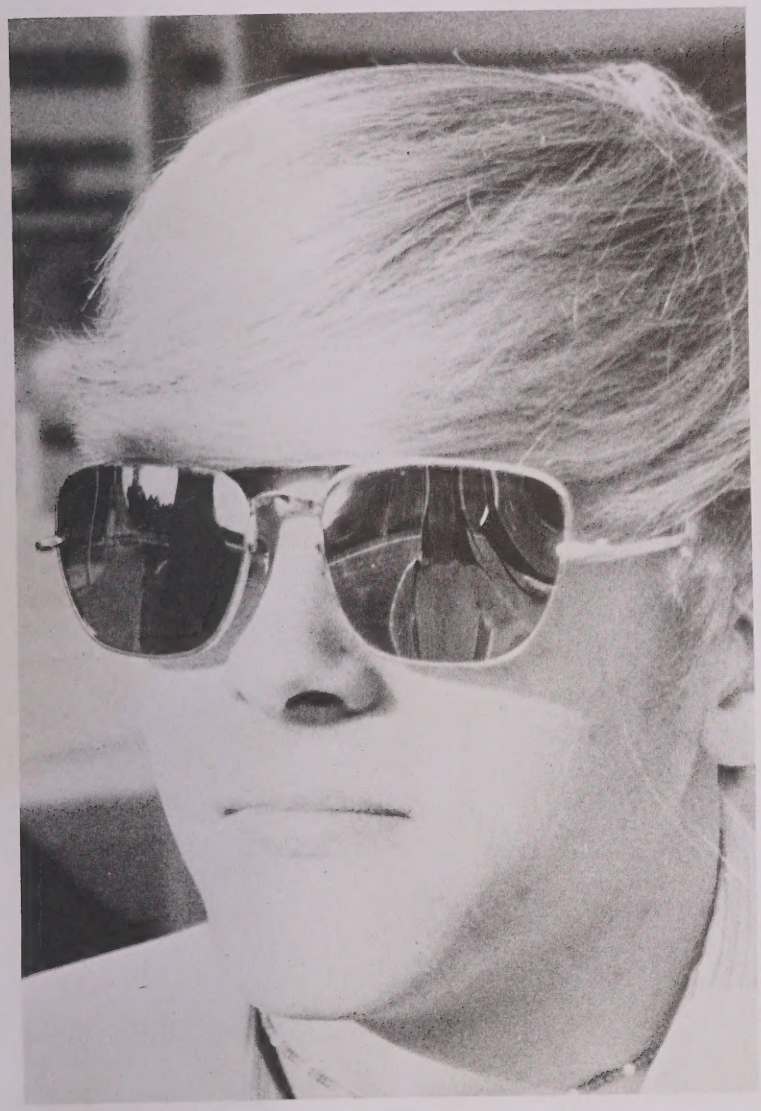
A New Decade, the 1970's
Commences at West

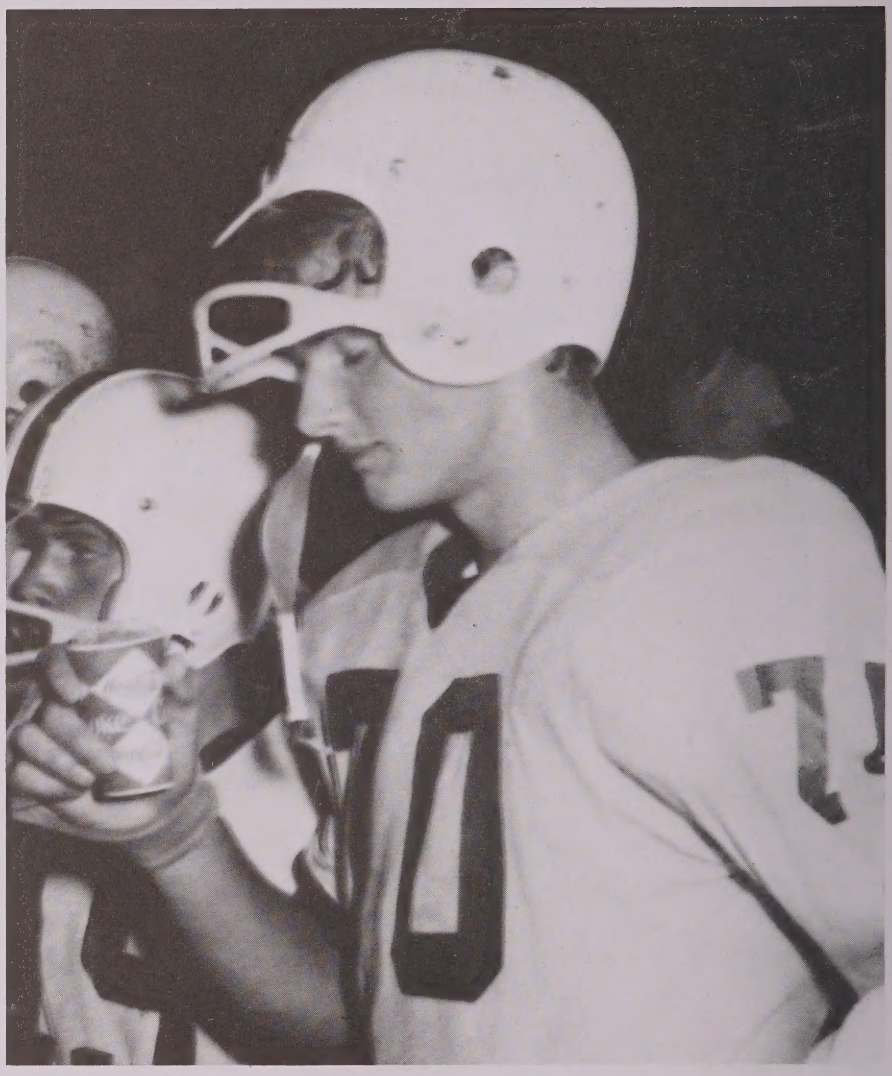
The Buildings,
The Grounds,
remainders of the '60's



Faces
Feelings
exemplify the '70's



The Swifter Pace
The More Dazzling
way of life . . .

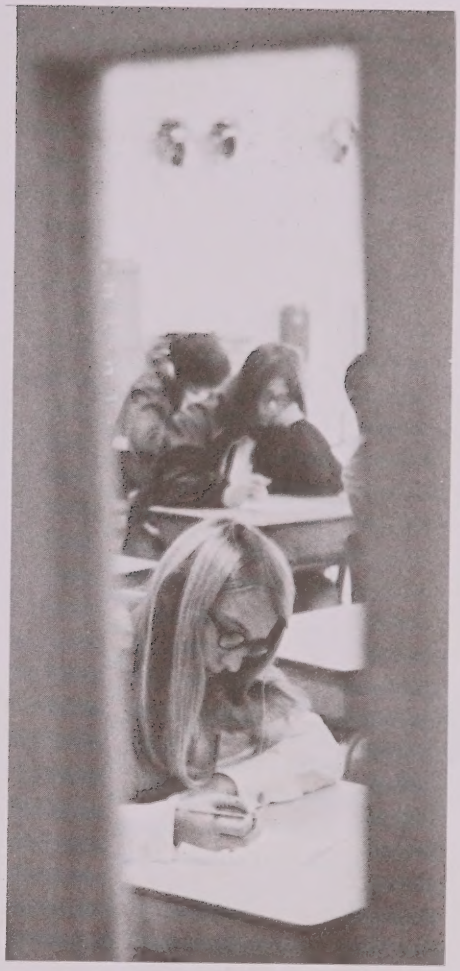


Make precious

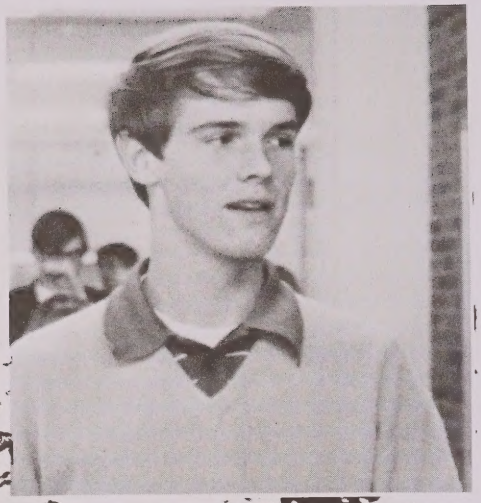
the quiet moments

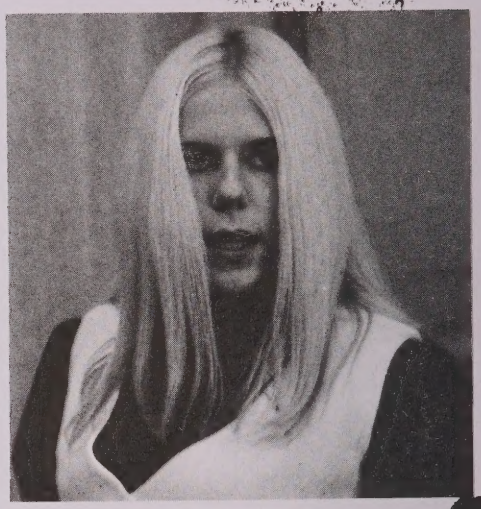
This new decade
signifies
a beginning
of man
of us
of all the
things
we'd like for
this world to be
that it's not.
This is our chance
and this decade
finds
each one of us
anticipatively,
dreadfully
alone
hopefully
Facing the '70's

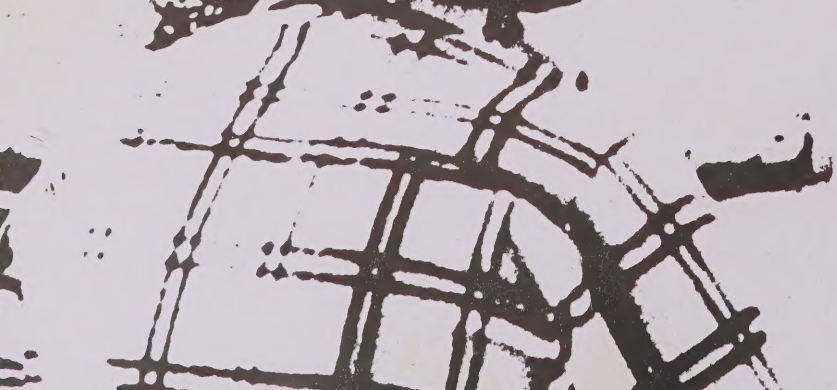
Spectrum
of
Personalities:
thinkers
jokers
listeners
speakers
workers
followers
sophomores
juniors
alone
together
seniors
comedians
fighters
leaders . . .
Personalities

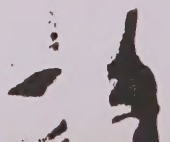


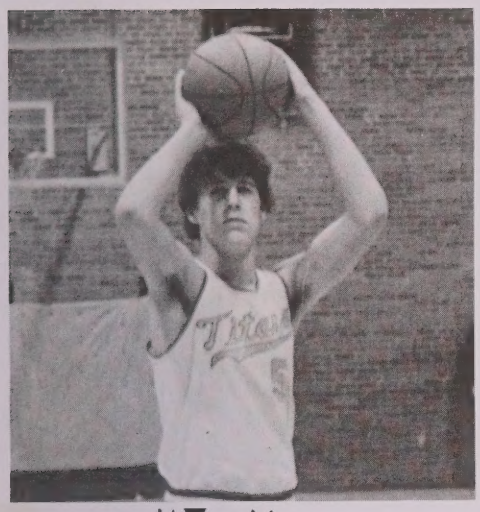
Personalities

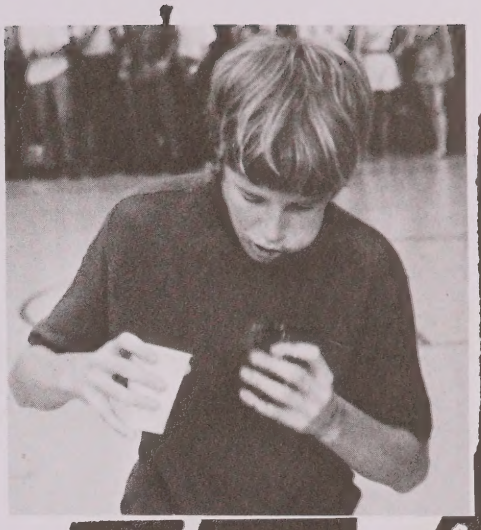


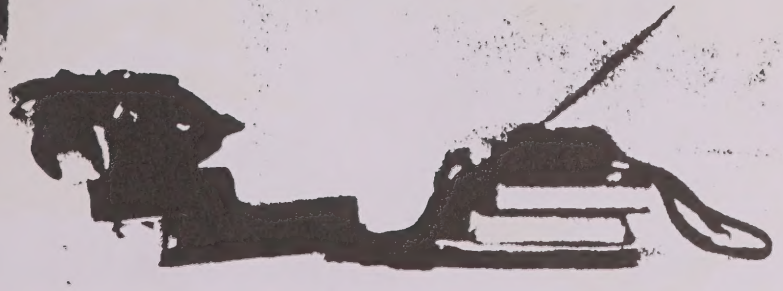












We could have
all been the same
huh God?
One mold.
Would've been easier
But each one
of us has
a different
face
voice
hand
touch
tear
Took lots of
imagination
the human race
Gee God
thanks

A day is wasted without laughter

We laugh and talk
as drunken bees stumble among
the yellow sunlit crowns of wild flowers . . .

To be aware is to

We dance round in a ring
and suppose
But the secret sits in the middle
and knows.

Music washes away from the soul
the dust of everyday life
